Sumitomo Dainippon Pharma Co., Ltd.

Sumitomo Dainippon Pharma announces Organizational Realignment and Changes in Executive Officers and Other Key Positions

Sumitomo Dainippon Pharma Co., Ltd. (Head Office: Osaka, Japan; Representative Director, President and CEO: Hiroshi Nomura) today announced that the following organizational realignment and changes in Executive Officers and other key positions, effective April 1, 2019:

I. Organizational Realignment (effective April 1, 2019)

Corporate Departments

1. Corporate Communications is created.

In order to strengthen communications to stakeholders through integrated CSR activities and public relations (PR) / investor relations (IR) activities, Corporate Communications will be created and the functions of CSR and PR/IR of Corporate Governance will be transferred to Corporate Communications.

2. Frontier Business Office is created.

To meet the future medical needs of society, where people will seek a diverse range of well-being, Sumitomo Dainippon Pharma is striving to establish a new medical care by pioneering frontier area in the healthcare sector. Our goal is to offer new value via contribution to the well-being of people in an area other than treatment of disease by pharmaceutical products through application of the latest digital technology based on the wealth of knowledge that we have built up over many years in the pharmaceutical business. As such, a Frontier Business Office will be created for commercialization of business in the frontier area by facilitating planning and promotion of in-house projects, alliances with outside institutions, and establishment of a global framework.

Drug Research (Division)

External Innovation Development Office is renamed to External Innovation.

Technology Research & Development (Division)

Process Chemistry Research & Development Laboratories is renamed to Process Research & Development Laboratories.

Manufacturing (Division)

1. The Ibaraki Plant and Ehime Plant will be closed.

With a view toward establishing a robust business operating structure to respond flexibly to changes in the business environment, Sumitomo Dainippon Pharma will close its Ibaraki Plant and Ehime Plant by the end of fiscal 2018, thus consolidating production into the Suzuka Plant and Oita Plant.

(Please see the press release dated December 26, 2014 for the reorganization of production sites.)

2. Engineering is dissolved and its functions are transferred to Suzuka Plant.
